Parents

Level-1

Dear Parents,

Warm Greetings!!

Its SUMMER TIME again!

Use Summer Vacation as an opportunity to spend quality time together. Let your child take the lead and use his/her imagination, creativity and knowledge to do the assigned task. The role of the parents is to be a facilitator and guide to steer the child in the right direction. He/She will and his own destination. Original work of students will receive greater recognition and appreciation.

Here are some tips to make this period a fruitful and happy period for them:

1. Encourage the child to wish 'Good Morning' and 'Good Night' to everybody.
2. Motivate the child to use polite words such as 'Please, Thank You, Sorry, May I'.
3. Talk respectfully with the child and encourage her/him to do the same.
4. Make sure the child brushes his/her teeth twice a day, morning and before going to bed at night.
5. Encourage the child to speak simple sentences beginning with the words I, my, he, she. I am a girl /boy, My name is He loves to play, She likes to eat ice cream.
6. Play with the child asking him /her to touch the objects starting with the letter you call out.
7. Help your child to create patterns as standing and sleeping lines with the help of clay dough.
8. Give clay dough to make a ball, a circle, a triangle etc.
9. Use terms big/small and tall/short in daily routine like give me big potato or small plate, that tree is tall or short, etc.
10. Show them fruits we eat during summer season such as mangoes, watermelon, muskmelon, litchis, java plum (jamun), etc.
11. Play the game "I can touch". Ask the child to touch his/her legs and say "I can touch my legs". Do the same with different body parts.
12. Recite all the rhymes done so far with actions and voice modulation.

To support your child's learning during this holiday season, please enjoy the following worksheets and reinforce concepts with your child. This will help the child to practice and brush up his/her writing skills and recapitulate what was done in school. Do make sure that child does the homework on his/her own, under your valuable guidance.

Have a nice and happy Summer Vacation!
